

We're happy to announce our partnership with the Annual Investment Meeting (AIM) to participate in their next edition to highlight the importance of the key investment opportunities and projects. They all focused on local and international economic growth.

About the Annual Investment Meeting (AIM):

With the rapid global changes, the need to provide more future investment opportunities has increased to promote sustainable economic growth, diversity and prosperity. This is provided by the Annual Investment Meeting (AIM) by bringing Ministries and Government Departments, SMEs, Startups and Investors in one place to discuss investment trends and strategies that can be utilised to maximize the potential of every business, country and region to consequently fuel economic diversification.

For 11 years, the Annual Investment Meeting (AIM) has established itself as a leading investment platform in the Middle East which aspires to ignite positive transformation by creating investment opportunities, upholding solidarity and developing economic relations among nations.

AIM Tracks:

- Investment Track:

The Annual Investment Meeting (AIM) makes it possible to discover foreign direct investment opportunities (FDI) and the Foreign Portfolio Investment (FPI) attracting the Top Institutional Investors, SWFs, UHNWIs and Investment Agencies from across the globe.

- Innovation & Technology Track:

Amid an increasingly challenging environment, businesses need to be abreast with the latest technology to remain competitive in the global market.

The Annual Investment Meeting (AIM) continues in becoming a leading global platform to drive economic growth.
